

## Devotional: Pray Unceasingly

Christian Devotion about Praying always

*"Be unceasing in prayer [praying perseveringly]" - 1 Thessalonians 5:17 (AMPC)*

We are encouraged to 'pray at all times'. Prayer is part of our daily lives. No matter what we are doing—whether going off to work, in meetings, driving our kids around, at home doing housework, or out playing sports. Whatever we do each day, we can still pray. It should be natural conversation with God throughout our day. Yes, there are times when we need to set aside other things to 'pray', but mostly we can pray throughout the day.

So, as you go off into your day,  
Remember, you can unceasingly pray!
