

Devotional: Speak An Encouraging Word

Christian Devotion about Speaking Words of Encouragement

"...Therefore encourage (admonish, exhort) one another and edify (strengthen and build up) one another, just as you are doing..." - 1 Thessalonians 5: 11 (AMPC)

How we all need to have a word of encouragement. It makes all the difference in how we perform in our jobs, in the home, or even in our ministries. So often it's easy for people to focus on the negative, rather than the positive, such as the mistakes we may make and the hopeless situation we feel we're in. Just one word of encouragement can change all that. It encourages us to carry on and give it our best. It makes us feel appreciated, and that we do make a difference.

As we go about our day, let's be mindful of the people we come in contact with, and speak an encouraging word. It will brighten their day!

Encouragement, we so desire
For it's this that lift's our spirits higher.
