### Authentic Christians

We need to be authentic, Lord,  
In how we live for you  
A faith, a walk, that's genuine  
In what we say and do

This life that we live for you  
Is not an act in a play,  
But our real lives we're living out  
For Jesus every day

For we're not merely actors  
Performing in a scene  
With well-rehearsed scripts to follow,  
Or like puppets on a string

But we live a life that measures up  
To the words that we speak,  
In line with the word of God  
And the truths that you teach

We want so much for others  
To see your love inside  
And know that there's a difference  
When we come to Jesus Christ.
