

Christian Poem: Enjoy The Season You're In

Christian poem on being productive for God no matter what season we're in

Enjoy The Season You're In

There is a time for everything
As we journey on through life
Different seasons that we go through
Brings new ways to honour Christ

Each new season has its challenges
And things to overcome,
But there are also many joys
And victories to be won

Each season of life we find we're in,
God uses to teach us His truth
That prepares us for what lies ahead,
The next season we must go through

We don't see the season we're in now
As a place of questioning 'why',
For we can be productive for the Lord,
Whatever the stage of life

So remember in each different season,
We can be fulfilled in Christ,
As we keep our eyes on Him each day
And honour Him with our lives.
