### Eternity

Do you ever wonder  
What heaven would be like?  
The streets within paved with gold,  
The Lord's glory, its only light

No need for a temple  
To worship and to pray  
The Lamb of God is its temple,  
Whom we worship every day

As well as all of this,  
There shall be no more pain,  
Nor sorrow or afflictions,  
We shall be forever changed

For all the former things  
That we struggled with before,  
At last we shall be freed from it  
And at peace with our Lord.
