

Christian Poem: Father...

Christian Poem on Praising Father God

Father...

Father...
I rejoice in the knowledge
Of your saving grace for me
And for your love eternal
That set my spirit free

Father...
I rejoice in your blessings
That you have showered on me
And for the endless love you show
When I'm in desperate need

Father...
I rejoice in just knowing
You're there right by my side
Protecting me from what might harm,
Bringing peace to my life

Father...
I just want to express
The love I feel for you
For you have blessed me once again
With hope and love anew.
