Gifts Of Heaven

Lord, you see each precious child
And you care so much for them,
For they are special to you, Lord,
And are the gifts of heaven

Lord, you long to soothe their pain
And calm their anxious fears,
You hold each one in your loving arms
And you show them that you care

You know what each one's going through,
You see the hurt inside
We pray that you will strengthen them
To endure what's in their lives

So they will know the love of God
And know your saving grace,
To know that you will be their friend
Through whatever they may face

So bless the children, we ask of Thee
With hope, love and peace
Let them feel your presence, Lord,
And let their fretting cease.
