

Christian Poem: God Has A Plan

Christian poem on God having a plan for our lives

God Has A Plan

God knows all our days
Well in advance
And nothing in life
Is left up to chance

All things in our lives
Work together for good
So, when working with God
It is understood

That He has a plan
For our future ahead
That leads us to life,
Never to death

So, we can be sure,
When our trust is in Him,
He'll never let us down
When we want to give in

For He wants us to have
Only the best,
Even in those times
When we're put to the test

For God has a purpose
And will reveal His plan,
If we keep on walking
With our hand in His hand.
