God's Restoration

Just bring God all your bitterness
And the hurts of the past,
For He has nailed it to the cross
And will cleanse your troubled heart

He will not turn you away
When you come and confess your sins;
He will forgive and set you free
And come and live within

For He will heal what hurts inside,
The pain that floods your mind
As you press on through with God,
No longer will it bind

He will restore what Satan took
With so much more besides,
No longer shall the enemy
Control or reign in your life

Jesus came and set you free
From what you were before,
A transformation He can give
When He forgives, heals and restores.
