God's Timing

The vision that God has given
And the things that He has planned,
May not happen right away
Or in ways that we understand

For often God's preparing us
For when that day arrives
When we will see the outworking
Of God's vision in our lives

Though it tarries, wait for it,
For it will surely come
God's timing never comes too late,
He'll accomplish what He's begun

God is never slow to act;
He will surely bring it to pass
We need not be anxious and despair,
But have peace within our hearts

For when it comes, we'll be released
Into what the Lord's prepared,
So we will fulfil all that He's planned
As we are being gently led.
