

## Christian Poem: Godly Speech or Worldly Chatter

Christian Poem relating to speaking words that edify

### Godly Speech or Worldly Chatter

There are many times we find ourselves  
In need of Godly wisdom  
So we can share with others who need,  
God's truth so freely given

We need to be careful of our speech  
Becoming just worldly advice,  
Responding more as the world responds,  
Carnal speech in spiritual disguise

We need to realize our speech can be  
Merely just worldly chatter,  
So we need to align our lives to God  
And be rid of worldly clatter

Our desire should be to know God's Word  
And to be conformed to Him,  
It's then we discern what the real truth is  
And speak from God's mercy within.
