Godly Wisdom For Our Decisions

When we're facing a decision
And we're feeling so unsure,
We need to pray for godly guidance
And the wisdom of the Lord

We need to wait with confidence
That God will show the way
And open doors we must go through,
Giving peace when we pray

Show us your ways, O Lord,
And where we need to walk
Guide us to where you want us,
Help us pray as we ought

Equip us with power and strength
To tread upon new ground,
To go where we've not been before
Where your blessings shall abound

For we shall never know how much
You long to bless our lives
Unless we take that step of faith
And follow the steps of Christ

To be where we can grow in you
And become more mature in faith,
To live in the wisdom that you've given,
To be immersed in your saving grace

To know your will for our lives,
We but only need to ask
You long to show us what to do,
All we need is obedient hearts.
