

Christian Poem: Guide us, O God

Christian Poem on God's leading to reveal His plans & purposes

Guide us, O God

Guide our every step, O God
Along this path we take
And help us seek your wisdom, Lord
To grow with deeper faith

For we long to know your ways
And where we need to walk,
We need to hear your still small voice
Above our cluttered thoughts

So we can know for sure, O Lord,
We're living in your will
And know that where we go in life,
Your hand will guide us still

And lead us into all your truth
So we may understand
The purpose that you have for us
As you take us by the hand

For you are such a mighty God,
So awesome in your works
And the awesome plan you have for us
Is accomplished with your word.
