Here I Am Knocking

Here I am standing  
At the door of your heart,  
Won't you let me come in  
And flood light where there's dark?

For I have been knocking  
For such a long time,  
Don't leave it much longer  
To become a child of mine

I just want you to know  
That I love you so much  
And can fill your heart within  
That once was starved of love

So please don't delay  
In responding to me,  
For I may not keep knocking  
And I have not a key

I will never force you  
To open the door,  
It's all up to you, my friend,  
To receive me as Lord.
