

Christian Poem: I'm Believing For A Miracle

Christian poem on standing in faith to receive a miracle

I'm Believing For A Miracle

I'm believing for a miracle
Every time I pray to you,
For you're the only one, O Lord
I believe will now come through

Because when all is said and done
And there's no where left to turn,
I need to trust in you alone
To unburden my concerns

And be done with all the questions,
Which so often floods my mind,
For it's you I need to focus on
When hope is hard to find

That's why I pray you'll intervene,
Now my back's against the wall
And I'm running out of options,
O God, please hear my call

For your sovereign intervention
Is what brings about the change
I so desperately desire, Lord
For the healing of my pain

So, I'm believing for a miracle
In this moment as I pray,
That you may move in power, Lord
Restoring me today.
