### In My World Of Silence

My world can be so silent  
And it sometimes brings a tear,  
The laughter of the children,  
I long, one day, to hear

To hear their little voices  
As they play their childhood games,  
Longing to hear them sing their songs  
And pray in Jesus name

To hear the birds each morning,  
Greeting another day,  
But my world is one of silence  
One that's hard to convey

I wish I could express to you,  
But I really don't know how,  
I'm not sure that you would understand  
What I'm sharing with you now

For it can be real lonely  
When I feel I'm not a part  
Of what I see around me,  
It often tugs at my heart

But though our two worlds differ,  
Jesus is by my side  
It's in this common faith we share,  
God's love in us abides

For He is the hope I have  
And the new song on my lips,  
My hearing may be limited  
But my spirit connects with His

And with my fellow believers  
As we worship side by side,  
For I have found no greater love  
Than the love of Jesus Christ.
