

## Christian Poem: Loving Father

Christian Poem of a prayer of praise for God's unfailing love

### Loving Father

Oh, my loving Father,  
Look down from heaven above  
And see me here before you,  
In desperate need of your love

Lord, I feel so lonely,  
In need of your listening ear—  
I give to you my burdens,  
That I can no longer bear

Oh, my blessed Saviour,  
To you, I lift my eyes—  
For you are my only hope,  
In you my trust doth lie

Oh, Jesus Prince of Peace,  
Stay close to me tonight—  
And let me hold on to you  
'Till dawns first ray of light

Oh, what joy to know,  
I'm in your loving care—  
For no harm shall befall me  
As I feel your presence near

I praise you Lord Almighty,  
For on you, I can rely—  
Though my world around me  
May fall before my eyes

You are a God of mercy  
And won't leave me this way,  
But you're there to lift me up  
When I bow my head and pray

Oh, my precious Saviour,  
What love and joy is mine,  
For you have placed within me  
Your power and grace divine.
