

## Christian Poem: My Prayer

Christian Poem on God hearing and answering our prayer

### My Prayer

Lord, I thank you  
And praise your name  
For all that you are to me—  
For being such a kind  
And loving God  
And hearing my heart felt plea

I thank you, Lord  
That you always listen  
Every time I kneel to pray—  
You always answer,  
Each time that I do,  
Though not always straight away

But in your own time  
When I need it the most,  
The answer comes like a flood—  
You guide me along  
One step at a time  
And fill my heart with your love

I give to you  
My life, my heart  
And everything that I am—  
Mould me into  
What I should be,  
So I shall fulfil your plan

Help me, I ask,  
Every step of the way,  
To fulfil my destiny—  
To become more devoted  
And surrendered to you  
And walk in you liberty.
