

Christian Poem: Our God Changes Not

Christian Poem about God being our source of strength and stability

Our God Changes Not

In a world of much uncertainty
And void of Godly truth,
When everything around us shakes,
It's God we hold on to

We must not trust in what we see,
In what this world holds dear,
For often it will start to crumble
When we are least aware

We can know God's sustaining peace
When our future seems unsure,
And know our confidence in Him
Brings new hope in the Lord

Keep holding on to the Word of God,
The truth you can depend on,
For it will stand the test of time
When heaven and earth are gone

So, even though this world's unstable,
He's still our solid rock
And the only certainty in life,
For our God changes not.
