Refreshment For Our Souls

When we call upon the Lord,
He answers us in our need
He refreshes us with living water
Beside rivers of blessing, He leads

For when we quietly meditate
And wait upon the Lord,
He will speak into our hearts
And reveal to us much more

We shall find our souls refreshed
And a new hope shall emerge
Then we shall begin to worship Him
As He speaks to us His word

Our spirits need to be refreshed
As we quietly spend some time
Alone in our Lord's holy presence,
For it's there that we shall find

A greater sense of Almighty God,
His love, His mercy and peace
The worries that we have in life,
We find will one day cease.
