Saved

Jesus saved us from our sins,
He forgives us and He heals
Our hope and salvation rest in Him
And is sure, despite how we feel
For sometimes Satan attacks our minds,
Causing us to fear and doubt,
We wonder if we're saved at all,
We forget Jesus blood poured out
When we confessed our sins to Him,
He cleansed us and forgave
We need not doubt, but believe that we
Have been wonderfully, graciously saved.
