

Christian Poem: Take A Step Of Faith

Christian poem on a mustard seed of faith conquering our mountains

Take A Step Of Faith

It's hard for us to always know
The path that we must choose,
To be confident and certain,
We hear God's voice to move

For we find the path's not easy,
But one that we must take,
Because sometimes we just need to
Take a little step of faith

And sometimes we may feel so lost,
Unsure of what to do,
That's when we need to trust in God,
That He will guide us through

For we all have huge mountains
To conquer in our lives,
But we can conquer all of them
When we choose to trust in Christ

Because God knows the way ahead
Is hard and looks so steep,
But it only takes a little faith
The size of a mustard seed

To conquer all those mountains
That rise up in our lives,
And as we keep on stepping out
Those mountains shrink in size

So, we must trust to the Lord
The mountains that we face,
And boldly take each step with Him,
With our mustard seed of faith.
