### The Fountain Of God

We can truly be at peace  
In the shadow of His wings,  
There we find release for our souls  
From life's many stressful things

He gives to us new strength  
When we are feeling weak  
And leads us beside the fountain that flows  
From heaven to the valleys so deep

Where we can wade in His blessings,  
Immersed in His Spirit divine,  
Finding true refreshment from God  
For our bodies, our souls and minds.
