### The Fragrance Of Grace

We are your children, Lord,  
Saved by your precious grace  
And walking in your victory,  
Living by hope and faith

We come before your holy throne  
And worship at your feet,  
Our souls renewed with new hope,  
Our spirits now set free

We yearn to know you more, O God,  
More than we do right now  
And we long for your presence, Lord,  
As before your throne, we bow

May we be as fragrant offerings,  
An incense of the Lord  
That you may take pleasure in us,  
A vessel you have called

So you may fill to overflow  
With your Holy Spirit of truth,  
So we can take your gospel, Lord,  
To those who don't know you

And be to them as Jesus was,  
To love them all despite  
Wherever they have come from, Lord,  
For you can change their lives

So they can come before you  
And worship you with praise,  
To come into your presence, Lord,  
And receive your saving grace.
