### The Voice Of God

When we hear the voice of God  
Speaking to our hearts,  
Do we obey and follow Him  
Or are we slow to start?

For when the Lord speaks to us,  
We need to heed the call  
And do the things He wants us to,  
Giving to Him our all

I know at times it can be hard  
To know the Father's will,  
We need to listen to His voice,  
For He speaks when all is still

Many times we fret so much  
And rush so much about,  
We then find all our busyness  
May cloud our Saviour out

So this is why we take some time  
To be still before the Lord,  
So He can speak into our lives  
And show us so much more.
