

## Christian Poem: Wilderness Experiences

Christian Poem about times of struggles being likened to a wilderness

### Wilderness Experiences

When we're in the wilderness  
In a barren, empty land,  
We long to just be refreshed  
And feel our master's hand

To know that He is with us  
Still guiding us along,  
But we feel so awfully distant  
And our lips without a song

We feel our cries go unheard,  
Just falling on deaf ears  
We think the Lord has not replied  
And He doesn't seem to care

The emptiness we feel inside  
Is so deep within our souls  
We long so much for God to come,  
To restore and make us whole

Sometimes in life we go through times  
Of anguish and of doubt,  
But we must hold on to this truth,  
That God's love won't run out

And we, in time, will know His love,  
Filling our hearts once more  
And that His presence was there with us  
In the wilderness before.
