

## Christian Prayer Poem: Discerning Your Voice

Christian Inspiring Prayer about hearing & knowing God's voice

### Discerning Your Voice

Lord,  
I want to know your voice  
To recognize it, to be tuned in to it  
To distinguish your voice  
From my own thoughts

I don't want to be in doubt,  
Second guessing, double minded,  
Torn in two directions,  
Unable to clearly capture your voice.

I don't want to be uncertain,  
To be led into error,  
To be unsure of your guidance  
And what you speak into my heart.

Help me, Lord, to know your voice,  
To truly know your voice intimately  
Without reservation, without doubt,  
Without uncertainty or second guessing.

Lord, help me know you more intimately  
And be fine-tuned to the sound of your voice  
No longer struggling to hear  
Above the noise and static of the world  
And my own distracting thoughts.

Help me just to be still,  
Breathing in of your Spirit,  
Inviting you into the moment,  
Meditating on your word,  
Allowing the Holy Spirit to breathe  
Afresh on your word.

Come, Lord Jesus, and speak  
Open my ears to hear  
Your still, small voice  
Open my heart to receive  
What you want to say.

Come, Lord Jesus,  
Cause me to know your voice  
And be attentive to you,  
So that your voice will not be  
Drowned out, nor blended with  
My own thoughts or imagination,  
But be clearly heard  
As the Holy Spirit breathes!
