

## Christian Prayer Poem: In This Moment

Christian Inspiring Prayer about resting in the presence of God

### In This Moment

Lord,  
I long to bask in the warmth of your presence,  
Completely enveloped in your love.  
Let me linger there in this moment.  
In the stillness, in the quiet.  
Let my senses revel  
In the fullness of your presence.  
Let me see your beauty,  
Let me hear your still, small voice,  
Let me smell your sweet fragrance,  
Let me taste your goodness,  
Let me feel your embrace.  
And just rest there, in this moment!
