

Christian Prayer Poem: In Your Fullness

Christian Inspiring Prayer about experiencing the fullness of God

In Your Fullness

Lord,
Bring me deeper in you.
Let me experience you in all your fullness.
Help me surrender all of myself to you fully—
Without holding back,
Because you are fully trustworthy.

You have promised me
A full, abundant life in you,
And you fill me to the full with yourself.
It's never a half measure, O Lord,
But it's a full measure.

Let me be a vessel
Filled with your love, joy and peace.
Let me be a vessel
Filled with your light, truth and hope.
Fully yours and you fully mine.

So, bring me deeper even more, Lord.
Let me be immersed in your fullness
And let the fullness of your Spirit
Overflow to touch other lives.
