

Christian Prayer Poem: The Quiet Within

Christian Inspiring Prayer about resting in God's stillness

The Quiet Within

Lord,
As I sit here in your presence,
In the stillness of my heart
And in the quiet within,
Let me be recharged,
Let me be energized,
Let me be revived,
So that I can walk away transformed,
Revived and refreshed in you

And let me return to the stillness,
The quiet within,
Throughout my day
When it gets chaotic, hectic,
Demanding, exhausting,
Let me return to the stillness,
The quiet within,
And rest there for a moment,
Letting you recharge,
Energize and renew me.
