

## Christian Prayer Poem: When Abiding in God's Word

Inspiring Christian Prayer Poem about God's Unshakable Word

### When Abiding in God's Word

Lord,  
Your Word is unshakable  
Sure, stable and enduring  
Even if the mountains shake  
And the earth crumbles  
At its very core,  
Your Word remains immovable  
It will never be shaken.

Your Word brings forth new growth,  
Even in the barren places  
And in the desert, the wilderness  
Of my soul.  
Your Word brings hope  
As it waters and refreshes.

Till the soil  
And plough up the weeds  
That have sprouted in my heart.  
The weeds of discontentment,  
Frustration, pride & unforgiveness  
Weeds of bondage to lies  
Feelings of hopelessness  
Weed it all out, Lord.

Allow the soil of my heart  
To be fertile ground for your Word,  
The seeds of your Word,  
So, as you plant them in my heart  
They will quickly begin to sprout  
And produce an abundant crop,  
Fruit that will never rot or perish  
But is eternal, everlasting.  
Let the soil of my heart  
Be pure, fertile and ready to receive  
Your Word in all its beauty,  
Splendour and majesty.

Your perfect, eternal Word  
Which never fails to prosper  
Accomplishes all that you intend.  
Your Word is alive and active  
Sharper than any two-edged sword  
To penetrate deep, deep  
Into the core of my being.

Your Word will always bring  
Renewal to my mind,  
Change in my heart,  
Restoration to the Father,  
Forgiveness of my sins,  
Freedom from Satan's lies,  
Deliverance from the enemy,  
Healing of my past,  
Hope for the future  
And peace in my present  
As I abide in your Word.
