

## Christian Prayer Poem: Your Peace

Christian Inspiring Prayer about the Peace of God

Your Peace

Lord,  
Help me cultivate  
A gentle, quiet spirit,  
To be at peace, calm  
And self-controlled in my inner being

Let peace be like a cloak upon me  
Protecting me from the affects  
Of life's storms  
Let your peace be like a spring  
Welling up from within,  
Bringing stillness and calmness  
To the anxiousness, fear  
And the agitations of my inner being.

Help me not to give in  
To anxious thoughts,  
Worry or anger  
But to be serene and spiritually mature,  
Being gracious in word, thought and deed.
